## CHRISTMAS IS COMING.

I dream the odor of the pine;  
I see its branches, line on line,  
Outspread betwixt the candles'  
light,  
By love-gifts bowed on Christmas  
night.

Oh! such a time comes not in vain,  
But, like the harvest after rain,  
Replays alike the doubt and hope  
That through the past and future  
gropes.

I see the children's eager eyes  
Turn opal as the sunset skies;  
I see their lips part tremblingly  
In wonder o'er the Christmas tree.

I hear the bells pour out their  
prayer  
Like angels' incense on the air;  
I seem to feel each heart that beats  
With love toward every heart it  
meets.

The church, the hearth, the lovers'  
shrine,  
Seem floating in a flame divine  
That every evil thing devours,  
Yet lights with happiness the  
hours.

Ah, me! If Christ left nothing else  
But happiness like this, the wealth  
Of expectation He devised  
Must still be prized, for aye be  
prized.

— John Irving Pearce, Jr.

## JOINT CONCERT.

Lovers of good music will be glad to know that a joint concert of the Ohio Wesleyan Musical clubs will be given Friday evening, December the twentysecond in the First Presbyterian church by the Ohio Wesleyan University Glee club and the Varsity quartet.

The Ohio Wesleyan Glee Club stands in the foremost ranks of College Glee Clubs. The men have been especially trained by an experienced instructor in the local Conservatory. As a result their work is characterized by finish, precision, vivacity, spontaneity, and at the same time perfect blending and harmony.

The University Quartette has been secured to accompany the Club this

season. Last summer the Varsity Quartette was engaged in Chautauqua work throughout the West, which is sufficient testimony of their ability and popularity.

The wide scope of the program serves admirably to bring out the qualities and characteristics peculiar to a College Club.

A list of patrons and patronesses for the affair will be given later. Anthony F. Blake a reader of remarkable ability will also assist. The program will probably be as follows although it is subject to change:

# A "Cure" For Baldness

The above expression is one which is used frequently in connection with hair preparations. Just what is meant by it in each instance is a question. Baldness is not a disease and hence, does not permit of a cure. It is a result invariably to be traced to the dandruff germ and if the condition has become chronic, that is, if there is complete atrophy of the hair follicles, a "cure" is absolutely impossible.

Approaching baldness, seen in falling hair, may always be checked and if the hair follicles are not atrophied the hair may be induced again to grow. This is accomplished by regular applications of Newbro's Herpicide which cleanses the scalp and kills the dandruff germ. The destruction of the germ does away with the accumulations of scarf skin and thus eliminates the most common enemy to beautiful hair.

Soft, glossy, fluffy hair cannot grow on a scalp infested with dandruff any more than a delicate plant can grow on an ash heap. The scalp must be kept clean and free from dandruff. The best remedy for doing this is Newbro's Herpicide, which receives the highest endorsements from professional men, the stage and the best people everywhere.

Herpicide is sold and guaranteed in one dollar size bottles by all druggists. Applications obtained at all first-class barber shops and hair dressing parlors.

Address The Herpicide Co., Dept. R., Detroit, Mich., enclosing 10c in postage or silver for sample and booklet. A. G. Luken & Co., Special Agents.

The public is invited to attend. Programs will be fifty cents.

# A Permanent Cure For Chronic Constipation

Although those may dispute it who have not tried it, yet thousands of others, who speak from personal experience, assert that there is a permanent cure for chronic constipation. Some testify they were cured for as little as fifty cents, years ago, and that the trouble never came back on them, while others admit they took several bottles before a steady cure was brought about. The remedy referred to is Dr. Caldwell's Syrup Pepsin. It has been on the market for over a quarter of a century and has been popularized on its merits, by one person telling another. The fact that its strongest supporters are women and elderly people—the ones most persistently constipated—makes it certain that the claims regarding it as a permanent cure for constipation have not been exaggerated. It is not violent like cathartic pills, salts or waters, but operates gently, without griping and without shock to the system. It contains tonic properties that strengthen the stomach and bowel muscles so that in time medicines of all kinds can be dispensed with and nature is again solely relied on. Among the legions who testify to these facts are J. B. Pearson, 1204 So. H St., Elwood, Ind., and Rachel Campbell, Liberty, Ind., and they always have a bottle of it in the house, for it is a reliable laxative for all the family from infancy to old age.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
